

Board Development and Leadership Workshop

Meeting the Needs of our Non Profit Community

FREE

Overview

Effective board governance is critical to ensuring that a non profit organizations delivers on its mission, manages it resources effectively, and maintains it reputation. This workshop will provide board members, and non profit staff/volunteers, with tools to help them become more effective, more engaged, understand increasing complexities of operations, and better interpret the commitment of supporting and serving a non profit organization and the community.

Please invite your board members, staff and volunteers to attend this **FREE** workshop. The short version of the presentation was very well received by those that attended our Bristol Organizations meeting and the expanded version will cover all the important topics and issues facing boards, relationships and operations. Please RSVP to Gary McGeough at Email: mcgeough@btes.tv or Phone: 423-646-4982
